The Unseen Hand

#

They're Always been there

in the dark, ~~in~~ blended

into the shadows

The Angels

The faces of past

the shifters of present

the ~~being~~ future beings ~~of future~~

(in this world without time)

Omni present

they call to me

mostly when I'm Alone

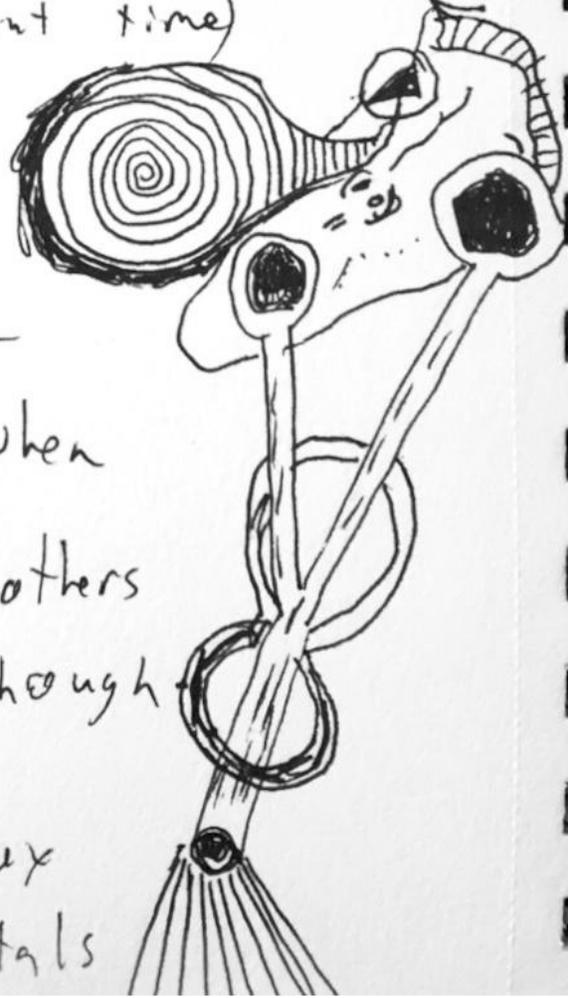

yet they scream when

I'm occupied with others

certain others though

not all of them

They tend the vortex  
unveil ~~the~~ the portals

Alpha and Omega

Unseen Hand

Shape shifters  
Elegba, Osiris

Aman Ra

Council of nine  
my Ancestors

I paint them to honor them  
to shout ask if  
you've seen them too

As they move all around  
invisible no more  
can you see them  
shine? I do!

*"I have been creating art for at least 30 years. I have worked with wood canvas, sculpture, ink, paper, charcoal, murals, photography, poetry, film, in addition to making soundscape music with the art band MANNIKIN SPILL. Since I was a child I have had visions of interdimensional beings. Sometimes clear, other times obscured, but they have always fascinated me".*
